

This year we are excited to introduce OGIO Freestyle-FMX Event on Saturday, August 8th at 8:30p.m. at the Millard County Fairgrounds Outdoor Arena. This two-wheeled action is something you won't want to miss. The OGIO FMX Motorcycle Stunt Team will put on a thrilling show of incredible motorcycle stunts. You won't believe your eyes as they jump, fly, tumble, and spin through the air higher than you ever thought possible. And hold on to your hat when these expert cyclists really pull out the moves. Along with the FMX Team Riders who are Nationally ranked, Justin Johansen, Utah and Shaun Nielsen, Gunnison Utah we will have Skateboarders, Tyson Bowerbank and Christian Sereika from Utah who are in the National ranks as well. BMX Riders will also wow us with their bike stunts. (You can check out these riders on Facebook) You do not want to miss out on this amazing event. During the day there will be mini shows from the teams and an opportunity to meet and visit with the riders. Look for more information in the Fair Promotion booklet. Fun for the whole family!
