

JULY 3RD HINCKLEY LION'S CLUB DEMOLITION DERBY

July 3 is closer than we think and we want everyone to be ready to enjoy the 4th of July celebration in Delta, Utah. There are some changes that will make this year's derby more enjoyable for all.

First of all, because this derby draws such a huge crowd, we find it necessary to sell reserved seating to make sure that those that purchase tickets will have a place to sit comfortably and enjoy the derby. This should stop seat saving, people standing on the fence and the necessity of getting there early on a hot July day to make sure you get a seat. It will make it easier to take advantage of the concessions without fear of losing your seat. Tickets will go on sale June 14, 2010 at Bulloch Realty, Delta, Utah and will be sold until the seating capacity of the arena is filled. If there are tickets left they will be sold at the Delta City Park July 3rd after the parade or at the gate before the derby. To get the seating you want and avoid the line, it is suggested that you buy your tickets early. Tickets will be \$10.00 per seat. More information will be available later. DON'T GET LEFT OUT.

In order to make sure that the Derby does not go too long we are limiting some of the heats. DRIVERS: If you have an interest in entering your car please sign up early to make sure you reserve your spot. Sign up at the Millard Care & Rehab, ask for Jordan or call 435-864-9892.
